

Each year millions of wonderful, adoptable pets are needlessly put to sleep simply because there are not enough homes to adopt them all.  
**You can help!**

# Fostering

All You Need Is Love

**You supply the love,  
we provide everything else!**

You can select which dog to foster-big or small, active or mellow, young or old, male or female. They all need rescue.

We provide the food, collar, leash, toys, bed, crate, medical care & anything else you need.

**Short term commitment  
and all expenses paid.**

**All you need to do is share your love!**

Foster homes provide our rescue dogs with a temporary safe haven and the love and attention they deserve while we work to match them with a permanent family.
